# THE LEGEND OF ROADHOUSE ROSCO & THE ROWDY CREW

Roadhouse Rosco & The Rowdy Crew captained a legendary pirate ship named the Resolute that infamously plundered the Pacific Coast in the 1820s. They pillaged and stole in search of the perfect Pirate Cookie. Unfortunately, they never succeeded in their quest.

One day, Rosco's Crew came across a mermaid on a giant detached rock of Davenport located across from this very restaurant. She promised the perfect cookie, but only if they would change their dastardly ways and become good. Rosco swore to being a good pirate and she gave him the gift of the perfect Pirate Cookie. They were overjoyed! Yet wanted more...

Rosco & his Crew immediately went back to thieving because he couldn't be satisfied with just one cookie! The mermaid was furious that he went back to his despicable ways, and cursed him and his crew! This curse turned them immortal and deviously *tiny*, only 1 inch tall! To this very day, Rosco & his Crew are constantly trying to steal cookies from the Davenport Roadhouse.

Do you, brave adventurer and Pirate Hunter, dare to search out and stop Rosco & The Rowdy Crew?

FIND ROSCO OR ANY OF HIS CREW LURKING ON THE WALLS OF THE ROADHOUSE AND TELL YOUR SERVER! YOUR REWARD IS THE RARE PIRATE COOKIE FOR FREE!
